Achievements

2020 **Rollins Earn And Learn (REAL) Award**

Rollins Earn and Learn (REAL) is a signature program funded by Rollins that offers full-time MPH/MSPH students valuable opportunities to earn while they learn through applied public health experiences in real-world settings. Beyond the direct work experience, it is an opportunity for students to be mentored by public health professionals.

2020 **Emory Alumni Board (EAB) Leadership Scholarship Award**

The Emory Alumni Board (EAB) scholarship recognizes students who are doing their part to improve the community, best demonstrating the exemplary level of leadership in service to others and community, and making a positive impact in the arts or sciences, academic or extracurricular pursuits, or through mentorship, and social outreach .

2020 **Global Field Experience (GFE) Award**

The Global Field Experience Financial Award (GFEFA) is a unique scholarship offered by the Rollins School of Public Health. GFE Financial Awards provide supplemental funding to support Rollins student summer field experiences in low- and middle-income countries. The scholarship was started to encourage students interested in global health to participate in supervised field training which will facilitate the transfer of classroom knowledge into practical experiences.

2014-2015 **Devotion and Dedication Award-Buddha Tzu Chi Indonesia Foundation**

Devotion and Dedication was an award given by Buddha Tzu Chi Indonesia Foundation through Tzu Chi International Medical Association (*TIMA*) to medical personnel, for the devotion and dedication to spread love and hope through direct actions in health social service.
